

# TENSIONERS CHAIN TENSIONER BELT TENSIONER

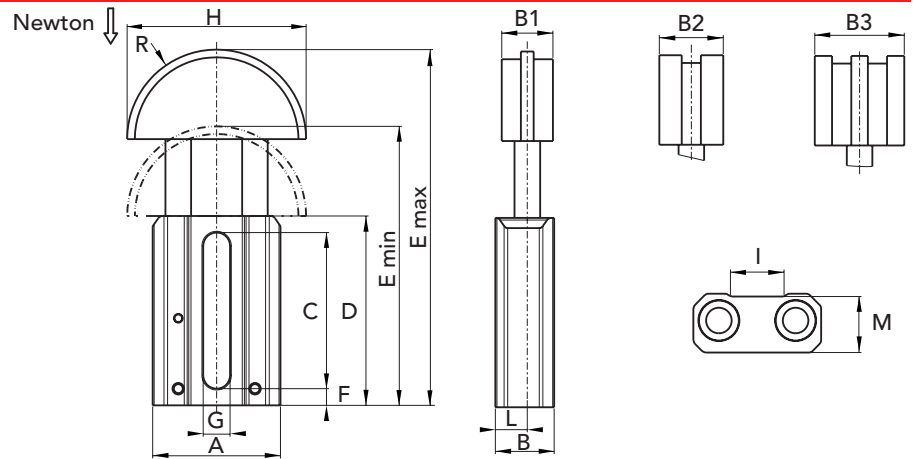

**Made in Italy**

# CHIARAVALLI GROUP BRAND CHT® LINEAR CHAIN TENSIONER CHT - ASGO

LINEAR CHAIN TENSIONER CHT - ASGO

- Tensioner AS with sliding block chain tensioner polyethylene UHMW high molecular mass (1.000.000) material
- Available on request in other colors
- Sliding block with semicircle profile
- Dry self-lubricating bushings with standard PTFE
- The quote N is calculated thanks to pressure tests performed in a technical laboratory. The values shown have a tolerance of  $\pm 5\%$
- On request available with stainless steel pin, springs, plugs and washer
